We slip on the vinyl  
We shimmer to shine  
Slide on the chrome and plastic  
The hum of the powerlines  
Sum of a love  
Come trip the light fantastic  
Singing:  
Do I drive?  
Or am I driven?  
Can I brake  
What I've been given?  
Take a walk  
Turn  
Talk  
Or crash and burn

Everybody get a wife, I got mine  
She's kneeling on the backseat, feeling fine, she's  
Married to a soldier in the army of the Rhine, but  
He don't know so he don't mind, she says  
Do I drive?  
Or am I driven?  
Can I break  
What I've been given?  
Take a walk  
Turn  
Talk  
Or crash and burn

Slip on the vinyl  
Shimmer to shine  
Sing:  
Do I drive?  
Or am I driven?  
Can I brake  
What I've been given?  
Take a walk  
Turn  
Talk  
Or crash and burn
