Flesh
Bone
Splinters on the telephone
Whispers
Bullet in the head
Down
Head
Down
Got power to burn
Got means
Got flowers to burn
Between those pretty dreams
Hold out for cover
Hold out your hands to me
For
Blood, blood money
Blood, blood money, money, money, money

Kiss...
Children.....kiss the ring
Children.....kiss the blade

For
Blood, blood money
Blood, blood money, money, money, money

Which hand holds your hand?
holds?
For
Blood, blood money
Blood, blood money, money, money, money
