All your hidden faces  
Your seven veils unfold  
Give me forbidden places  
All your tales untold  
Give me ever and always  
Ever and always  
Body and soul

Heaven and hope eternal  
Over your heart of gold  
Sun and sunset  
Burning in the flame you hold  
Ever and always  
Give me ever and always  
Body and soul

Yesterday  
Today  
Tomorrow  
Body and soul

Give me ever the years you wept inside when cold  
All the sins and secrets never cried  
All the dreams you kept and the tears you sold  
Give me  
Give me ever and always  
Ever and always  
Body and soul

Your heart  
Your mind  
Your body and soul
