Roll of the thunder  
On Detonation Boulevard  
Through the angel rain  
Through the dust and the gasoline  
Through the cruelty of strangers  
To the neon dream  
Long distance information  
Just tell me where the manholes steam  
A little girl waits on my station  
With a new machine  
On Detonation Boulevard  
I got wrecked out here  
In a Eldorado  
I got wired, white-walled  
This hot-wired sedan  
I caught something weird in Encenada  
I've a brother of sorts in Torquemada  
Long distance information  
Disconnect me if you can  
On Detonation Boulevard  
Pink noise, white noise,  
And a violet whining sound  
It burns inside this car  
No cops, no signs, no left, no right  
No stops, no turning round  
Well you can run but you can't ride  
You won't get far  
On Detonation Boulevard  
Bang Bang

On Detonation Boulevard  
Through the angle rain  
Through the rust and the gasoline  
Through the cruelty of strangers  
To the neon dream  
Long distance information  
I'll take the same  
I got the fuel for the transformation  
I'm a naked flame  
On Detonation Boulevard  
Bang Bang
