In a sea of faces, in a sea of doubt  
In this cruel place your voice above the maelstrom  
In the wake of this ship of fools I'm falling further down  
If you can see me, Marian, reach out and take me home.....

I hear you calling Marian  
Across the water, across the wave  
I hear you calling Marian  
Can you hear me calling you to  
Save me, save me, save me from the  
Grave  
Marian

Marian, there's a weight above me  
And the pressure is all too strong  
To breathe deep  
Breathe long and hard  
To take the water down and go to sleep  
To sink still further  
Beneath the fatal wave  
Marian I think I'm drowning  
This sea is killing me

I hear you calling Marian  
Across the water, across the wave  
I hear you calling Marian  
Can you hear me calling you to  
Save me, save me, save me from the  
Grave  
Marian

Was ich kann und was ich konnte  
Weiss ich gar nicht mehr  
Gib mir wieder etwas schones  
Zieh mich aus dem meer  
Ich hore dich rufen Marian  
Kannst du mich schreien horen  
Ich bin hier allien  
Ich hore dich rufen Marian  
Ohne diene hilfe verliere ich mich in diessem ort

I hear you calling Marian  
Across the water, across the wave  
I hear you calling Marian  
Can you hear me calling you to  
Save me, save me, save me from the  
Grave  
Marian
